

## PRODUCT INFORMATION

### BALLOON INFLATOR

### AEBR125

#### SUMMARY

Our economy hand-tight balloon inflator is durable, easy to install and easy to use.

#### TARGET APPLICATIONS

Safe, easy operation by rubber tilt-valve, which is simple to replace if it gets damaged due to excessive wear and tear.

Horizontal one-piece model with all brass piston construction.

#### FURTHER INFORMATION

Hand-tight cylinder connection requires no wrench for installation.

Use with helium or balloon gas cylinders

#### ARTICLES & ACCESSORIES

Part Number	Product Description
AEBR125	Balloon Inflator
