

## PRODUCT INFORMATION

### TUNGSTEN SHARPENER

HP21001

#### SUMMARY

Suitable for use with all variable speed rotary tools, the Tungsten Sharpener has an airtight design to stop toxic dust particles and a clear top for viewing the grinding process. The extra-large two sided diamond wheel allows for a quick sharpening process and is long lasting. Light weight and durable.

#### TARGET APPLICATIONS

#### FURTHER INFORMATION

Supplied with 1 x Mandrel, 1 x Set of Collets, 1 x Clear Lens and 1 x Diamond Wheel.

#### ARTICLES & ACCESSORIES
