

PRODUCT INFORMATION

GREEN GENERAL PURPOSE GLOVES

DESCRIPTION

These green, general purpose gauntlets are fully lined and constructed from green split leather with a one-piece back, welted thumb and fingers and are suitable for general purpose welding use.

Reversible green gauntlets are also available under part number EAD000REV. These are made to the same high standards as the EAD000 gauntlets and are fully lined. They provide the advantage of being visible on either the left or right hand.

EAD000

EAD000REV

INFORMATION

This product is a minimal risk handling gloves.

These gloves are suitable for minimal risk handling applications. This product is manufactured with dimensions suitable for quick removal, whilst still offering a good level of comfort to the wearer.

NOTES

Weldability provide a full range of gloves, which includes 'Rigger' style gloves (EAD002 – EAD003), fine hide TIG welders' gauntlets (EAD006), lightweight TIG gloves and fully lined welders' gloves (EAD007, EAD009, EAD012). All are CE approved and conform to EN407.
