

PRODUCT INFORMATION

BLUE SKINTEX WELDERS GLOVES

DESCRIPTION

Fully lined and padded, *Skintex* offer excellent protection to the wearer in MIG, Stick or Oxy/Fuel welding and in plasma or oxy/fuel cutting.

INFORMATION

“Skintex” high-quality welders’ gloves are manufactured with a blue one-piece split-leather back and front with a grey, split-leather front cuff. These fully lined gloves offer great protection from heat and abrasion whilst maintaining a comfortable fit for the wearer.

“Skintex” are well suited to many welding / handling applications and their low weight, streamlined design allows the user to work with precision and accuracy.

“Skintex” also have the added convenience of being competitively priced.

This product is CE approved. “Skintex” also conforms to EN407.

NOTES

Weldability provide a full range of gloves, which includes ‘Rigger’ style gloves (EAD002 – EAD003), fine hide TIG welders’ gauntlets (EAD006), lightweight TIG gloves and general purpose gauntlets (EAD000 / EAD000REV).
