sif ecoLITE

fixed- shade
**AUTO-DARKENING
WELDING HELMET**

NEW from **Weldability sif** the **sif ecoLITE** **fixed-shade**, auto-darkening, comfortable welding helmet which provides high quality, low cost, shade 3/10 ADF welding lens.

The **sif ecoLITE** is powered by the welding arc, therefore delivers consistent performance, removing the need for battery replacement.

The helmet can be used in the most popular MIG and stick welding applications. The **sif ecoLITE** is supplied boxed and supported by a 12-month warranty as standard.
